Subject: Cisco v. Arista: Search Terms
Attachments: Arista's Search Terms 101615.pdf

Counsel,

Please find attached Arista's search terms. We reserve the right to add additional terms as discovery progresses.

Additionally, in light of Cisco's representation that it does not have custodial documents for Mr. Bansal, we ask that you tell us whether you have custodial documents for Jung Tjong.

We look forward to conferring next week regarding the parties' search terms and plans for searching both custodial and non-custodial data sources.

Thanks,
Lizzy

Elizabeth K. McCloskey
